

Silver and Gold

Verse 1:

E **B** **C#m**
I don't need to leave a legacy
B **A** **C#m** **B**
On record or paper, in wood or stone
E **B** **G#m** **C#m**
I don't need to stay in living mem - o - ry
F#m7 **B** **E** **A/E E**
I don't my name to be known

Chorus:

E **A** **B**
I just wanna build with silver and gold
E **A** **B**
I just wanna build with precious stones
C#m **B** **A B E**
I just wanna run the course you've gi - ven me
A **B** **C#m**
I'm living for a treasure that's unseen,
A **B** **E A/E E**
I'm living for a treasure that's unseen

Verse 2:

You've made me a precious living stone
I don't mind if I'm the ceiling or the floor
You've made me a part of your eternal home
And that's good enough for me

Verse 3:

I know that I need to train and run
But I'm not working for an earthly prize
My only aim to see your kingdom come on earth
Even if it's not with my own eyes
